## TRUMP; JEWISH LIES; COGNITIVE DISSONANCE

*The Psycho Revealed: Trumpenstein Removes His Mask*

The **Financial Times** asks why 81% of the White Evangelical Christians in the USA voted for Donald Trump.

"Trump is a divorced adulterer who ran a gambling empire, so how did America's Moral Majority get so evangelical about Donald Trump?"

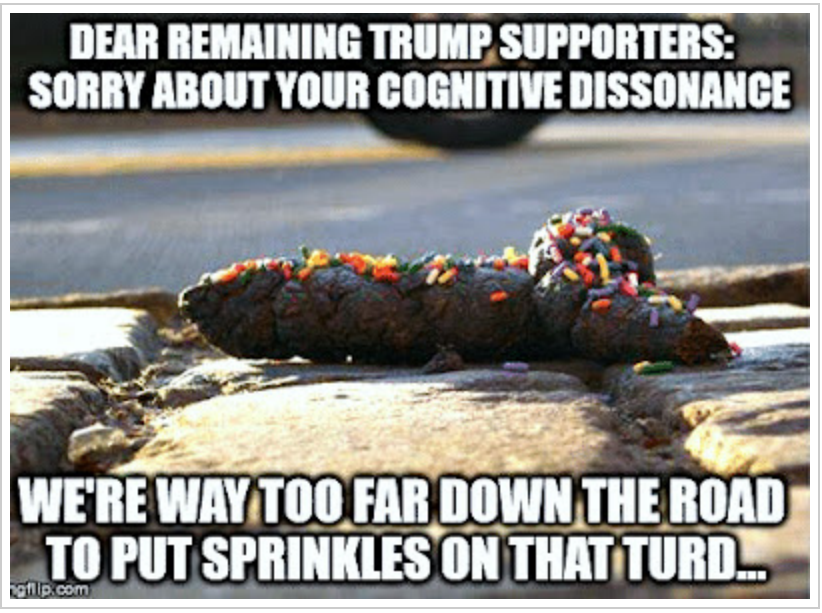
How did cognitive bias
HELP TRUMP WIN?
PLAYING ON EMOTIONAL APPEALS
AFFECT HEURISTIC
TENDENCY TO MAKE DECISIONS BASED ON EMOTIONS RATHER THAN FACTS
- Capitalized on fear of U.S. economic collapse, unemployment, etc.
- Trump spoke to Americans about things they felt were true
- e.g.,"Make America great again!"
UNBIASED IS IN THE EYE OF THE BEHOLDER

Leon Festinger's 1957 theory of **'cognitive dissonance'** tells us how human beings try to justify their weird beliefs.

**Human beings usually refuse to look at the evidence which proves their weird beliefs to be wrong.** [1]



DEAR REMAINING TRUMP SUPPORTERS:
SORRY ABOUT YOUR COGNITIVE DISSONANCE
WE'RE WAY TOO FAR DOWN THE ROAD
TO PUT SPRINKLES ON THAT TURD...

It has been pointed out that Trump is 'a German Jew who was put into power by the Nazi-Zionist-Kosher-Nostra.'

Trump supporters justify their support for Trump by saying: "Trump is a reformed Christian.

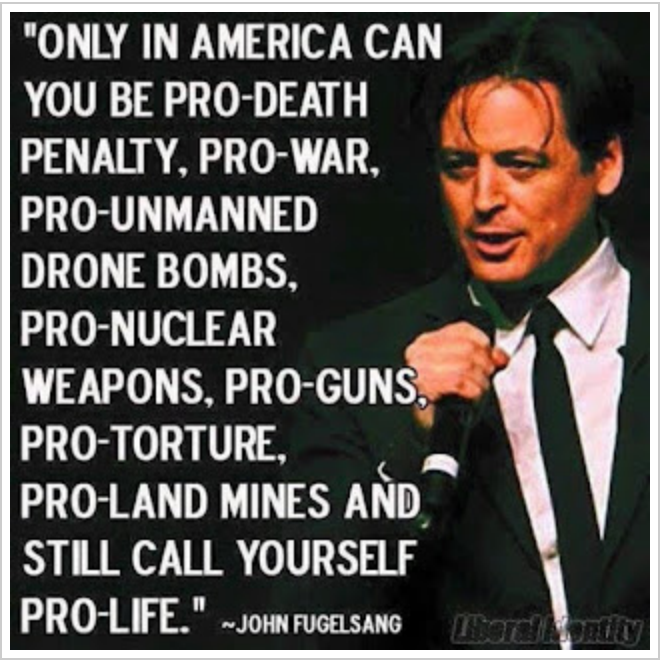
"We should not believe the lies about Trump's connections to the Jewish Mafia, the Greater Israel Project and Jewish child abuse rings."

Certain readers of this blog criticised us over **our opposition to the Arab Spring**, **our opposition to Obama**, and, **our opposition to Trump**.

These readers wrote: "The Arab Spring is good because it is People Power."

"Give Obama a chance."

"Trump has been 'got at' by the Deep state."



"ONLY IN AMERICA CAN YOU BE PRO-DEATH PENALTY, PRO-WAR, PRO-UNMANNED DRONE BOMBS, PRO-NUCLEAR WEAPONS, PRO-GUNS, PRO-TORTURE, PRO-LAND MINES AND STILL CALL YOURSELF PRO-LIFE." ~JOHN FUGELSANG

**The Financial Times's Edward Luce points out:**

"Having promised to launch a trade war with China, Mr Trump is rapidly abandoning his protectionist rhetoric.

"Likewise, having vowed to avoid foreign wars, he has acquired a sudden

taste for Levantine missile launches."

The reinvention of Donald Trump.

The confirmation bias identifies how people readily read information that confirms their established opinions, and readily avoid reading information that contradicts their opinions.[22]

For example, a right-wing person usually only listens to political commentary from conservative news sources. [22]

Latest from Gordon Duff Veterans Today:

- Kosher nostra now fully controls USA, they just locked in USA Supreme Court thanks to Trump
- Even kosher nostra says Trump is insane, they manage him
- Invasion of Syria being readied from Jordan by Israel - Saudi - USA

« The Kosher-Nostra mob has moved into the White House, they oversee day to day operations of the US government

They do this, they have had to, they don't trust Trump. Even they say he is insane. His daughter was moved there to keep track of him, keep him busy.

Trump is now protected by a 5th Supreme Court vote [corrupt 5 out of 9 after Trump's new Justice Gorsuch was installed] & can't be impeached, the court will simply stop it

Frankly speaking, Trump was right on the money when he called out the media & Hillary Clinton for her policies on Russia & Syria

What he wasn't entirely aware of is where this hatred of Putin comes from. Putin had drawn the ire of the Kosher-Nostra, a massive world organised crime ring that infiltrated the CIA in steps

Trump has made his move against Russia tied to Netanyahu's readiness to join the Saudi-Jordanian military move against Southern Syria, a military force to which Trump has added a squadron of American F16s & dozens of Abrams tanks, 40 of them spotted on the Syrian border yesterday, American flags overhead, guns pointing north toward Damascus

American army officers are regular visitors to Israel where their every sick desire is satisfied. Israel is the Pentagon's private whore house, though Israel looks at things, rightly so, the other way around »

'Show business is an extension of the Jewish religion.'
- John Lennon of the Beatles

Beatles Press Conference, Los Angeles USA, 24 August 1966:

Q: "The 'New York Times' magazine of Sunday July 3 [1966] carried an article by Maureen Cleave in which she quotes the Beatles, not by [individual] name, as saying: 'Show business is an extension of the Jewish religion.'"

PAUL: "Did she say that?"

Q: "Would you mind amplifying that?"

JOHN: "Uhh, I said that to her as well. No comment."

PAUL: "Ahhhhh ... Come on, John. Tell 'em what you meant."

JOHN: "I mean, you can read into it what you like, you know. It's just a little ol' statement. It's not very serious."

John Lennon was murdered on a New York City street 8 December 1980

Ty Aanirfan Speaking of Conservative News Sources looks like Bill O'Reilly(Can't stand the man) is being blackmailed out of Fox http://www.msn.com/en-us/news/us/o%E2%80%99reilly%E2%80%99s-behavior-said-to-have-helped-drive-megyn-kelly-out-at-fox/ar-BBzRi7P?li=AA4ZnC&ocid=spartanntp

and

With Alex Jones Cheerleading for Trump.

Could this be the time for Alex Jones ascension to be the new face of Conservative News.

Remember O'Reilly was the Face of the Bloomers,his audience more in their 60's-80's

While

Alex Jones is the Face of the younger Alternative-Right.

It could be they(Fox) want O'Reilly out.

(I Don't know)but interesting Development going on at Fox

You may well be right. Jones' bizarre overt shillery may just be used to elevate him to a top conservative position, and he will

defend his lies and deceptions very well--ever see him at the Austin Gun Rally? He wasn't even phased by the people complaining to his face.
